A UNIQUE STORY

Vespa is a timeless icon of Italian style. With its unique design and technological content, it has been a symbol for 70 years, instantly recognizable and always surprising. Much more than a simple scooter, Vespa is the companion of countless adventures. As a reflection of the rider's personality, it is a celebration of design, technology and independence. Vespa is an inspiration for freedom for generations. It combines elegance, boldness and style, bringing a touch of unpredictability to our lives.

DO YOU VESPA?

FREEDOM AND DREAMS TRAVEL FAST

For 70 years, Vespa has been winning people over because of its message of freedom and an out-of-the-box communication style. This has secured it a place in our collective imagination. Vespa has been on the front line of cultural and social revolutions, new trends in music and lifestyles, movies, and art. Today, in the age of digital social media and communication, it has an immediate impact all over the world. The icon of a unique design and the values of environmental sustainability and independence extends beyond barriers.

HUNDREDS OF EMOTIONS

The first truly global mobility brand, Vespa bridges generations, interacting with vastly different social environments, creating a variety of cultural phenomena, specific to the communities in which its success has made it a distinguishing characteristic. It has spearheaded lifestyle, music and youth revolutions. It is the core of high-profile public events like Vespa world days. Today, it is one of the best-selling and best-known Italian products in every corner of the globe.

PRIMAVERA ***50 / 150***

70 years ago the first Vespa was sold. Since then, it has been a runaway sales success with 18 million vehicles sold. In that time the Vespa scooter has become an icon of agile and fun commuting, developed a cult following, and is regarded as an example of design and an icon of Italian elegance.

Available in limited quantities, in two special colors Azzurro Metallizzato and Grigio Pulsar, on two special bikes (the Primavera 50 / 150 and the GTS 300). Each of these special scooters comes with a special dark brown saddle and bag with contrast piping that is embossed with the Vespa Settantesimo logo. There is an identification plate on the door of the front glove compartment. As a finishing touch, these special scooters have unique wheels that are elegantly finished in a special gunmetal with polished lip.

LIMITED EDITION

PRIMAVERA

50 / 150 3V

The Vespa Primavera stands out for its modern streamlined look, whose key elements echo the exclusive style of the “Vespa 946”. Hallmark features include the new frame with innovative features for enhanced quality. The increased space between the handlebars and the seat, and the low saddle height allows for easier access to the ground, ensuring greater comfort for rider and passenger. The longer wheelbase and length boost stability while maintaining the lightweight riding and agility typical of every Vespa. The compartment beneath the seat easily accommodates a full-jet helmet. Front LED daytime running lights, new digital instrument panel, 4-stroke 4V 50 cc engine, 4-stroke 3V electronic injection 150 cc engine improves fuel consumption and reduce emissions.

SPRINT

50 / 150 3V ABS

In a hectic world, you need a strong personality to get noticed and make your mark. The Vespa Sprint has the charisma of the Vespa tradition, a world style icon and symbol of an Italian lifestyle, built on elegance and joie de vivre. The distinctive design that secured the success of the Vespa range has been restyled for today in the Vespa Sprint, which carries on the Vespa S heritage and leads the way in “small body” two-wheelers. Fluid lines, front LED daytime running lights and compact dimensions, together with attention to detail make for a scooter that is easy to handle, gutsy, and fearless in city traffic.
